

# you are my baby

chorus:

when i see you in my dreams  
then i look into your eyes  
you are my baby  
when you are close to me  
i kiss you in my thoughts  
you are my baby  
when you take my hand  
i feel your touch  
You are my baby  
when i say i love you  
it is true  
because you are my baby

**verse:**

dance dance dance with me  
  
you are my baby
